The image is a black and white photograph of various school supplies arranged on a wooden surface. On the left, a large, thick book titled "WEBSTER'S COLLEGIATE DICTIONARY" is visible. Next to it is a smaller book with the title "PLANT ECONOMY" and the author "WEEKS AND PUNKHOFER". Two pencils are lying diagonally across the middle of the frame. To the right of the pencils is a round apple with the name "R. P. Morgan" written on it in cursive. In the foreground, a notebook is open, showing handwritten notes and a table. The table has columns for "Date", "Time", and "Amount". The word "Administration" is written in a large, cursive font across the bottom of the image.

## Scoreboard

FLORENCE: Starting the season as underdogs, the Panthers fought off a determined Gopher 11 and started the season off right winning 6-2.

RAY: Again underdogs, the fighting Panthers came up with a last second touchdown and a 12-6 victory to keep possession of the Miner's Hat.

GLOBE: This time the underdog role was well deserved, but we almost held our own with the Class "A" Tigers before bowing 20-0.

ST. JOHNS INDIANS: Finally we were favored and we proved our worth by beating St. Johns 18-0 although two touchdowns were called back.

HAYDEN: The Wolves came to town in the favored role ready to trounce the upstart Panthers. Result? 0-0.

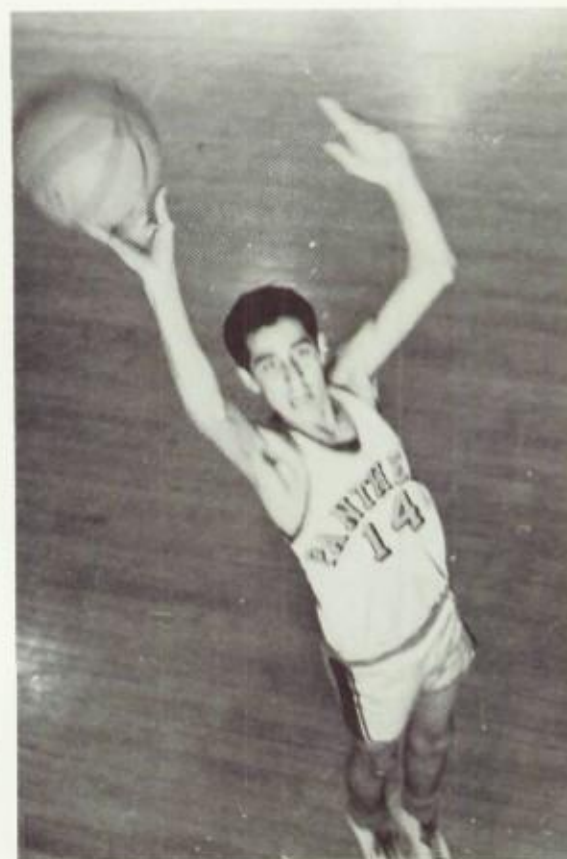

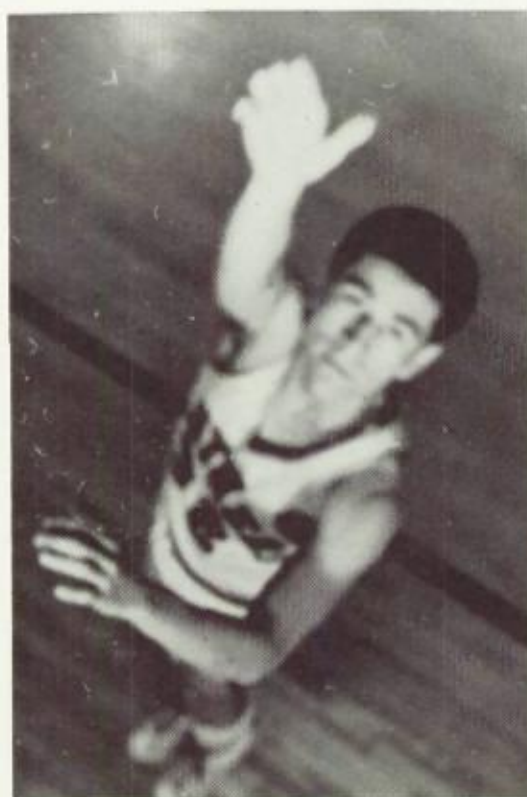

THATCHER: "Everyone beats Thatcher." Almost everyone, that is. Overconfidence beat us 24-6.

GILBERT: Up against the Eventual State Champions, we looked pretty good in the first half which ended 19-6. The Panthers completely folded in the second half to end up on the short end of a 47-7 score.

WICKENBURG: Once again the Panthers occupied the underdog role, but we fought well and were beaten by our own mistakes 19-6.

SAN MANUEL: Being underdogs, and going against a Class "A" school once again combined to make things look pretty bleak for the last game of the season. We really ran over them by a 25-13 score.

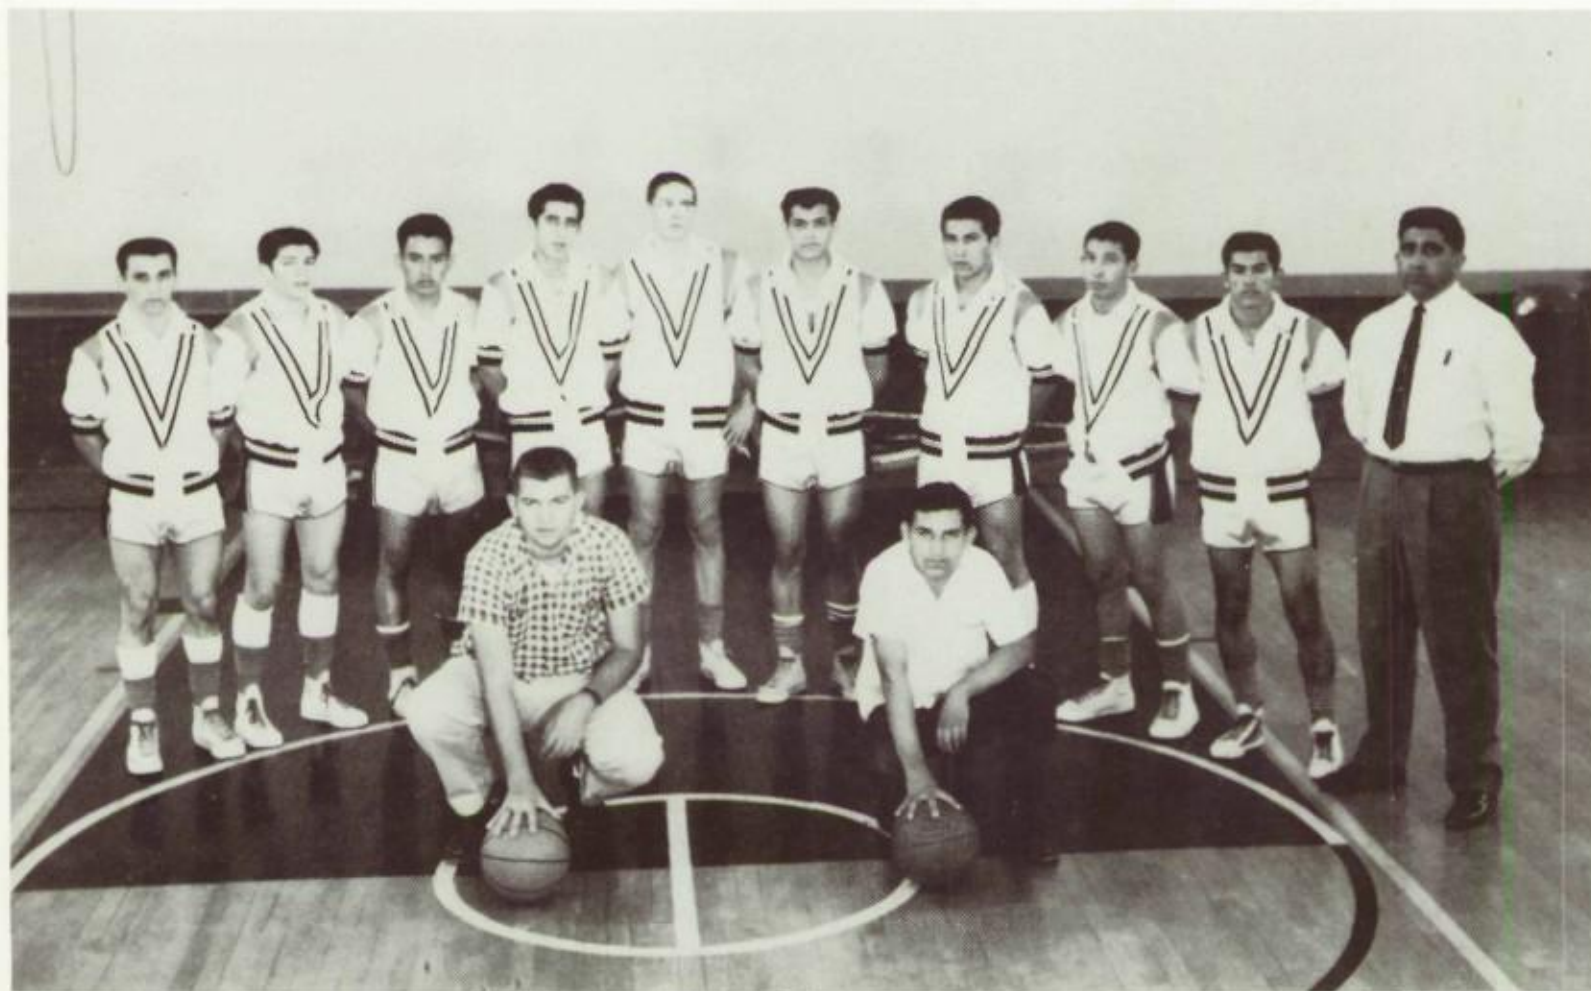

## *Varsity Basketball*

"They can! But why don't they." This was the most frequently heard comment on the winning ways of our basketball team. Flashes of greatness were shown on some occasions such as our wins over Payson and Ray and our narrow loss to Florence. Other times, however - Gilbert, Globe, Maricopa, etc. - we looked like a poor class "C" team. On the whole, though, things look bright for the next couple of years with the abundance of talent who will be on the Varsity next year, most of whom will be juniors.

STANDING: Tony Diaz, Servando Redondo, Jesse Armenta, Arlo Durazo, Leland Dollar, Tony Astorga, Tony Navarro, Jesus Llanez, Joe Peralta, Raymond Argel, Coach. KNEELING: Marion Pomeroy, Merced Campos, Managers.

The Superior Panther Junior Varsity completed a most successful season last Friday with a season record of 14 wins and only 4 losses. The losses were to Globe twice, Wickenburg and Ray once. They added to their victory list some impressive teams such as Marana, Gilbert, Florence, Payson and Hayden. Things look bright when these boys become Varsity as they only lost one conference game out of 12 tries.

Arlene, Gee I can't begin to tell you how much I've enjoyed your company this year. Boy! I only regret that I didn't get to know you better, boy we would have torn down the darn school. Which isn't a bad idea.

Gosh! Arlene I'm so glad I'm finally leaving. But next fall we can get together and go to a few foot ball games. Man, I'd enjoy that.

It's been fun talking to you & giving you advice. When you develop a small problem you sure can make a catastrophe out of it. It takes a smart & hard headed & strong minded girl like me to set you straight. Bup! Seriously tho, you're really a friend if I ever had one. I know I can always depend on you and if I ever need any thing I know you'll be by my side. I hope our friendship continues and lasts till we're both 6 feet under. Even then take it easy. Till the cows fly. A sincere friend Manzana

Lots of luck to a crazy mixed up  
 girl. You're a lot of fun and I've really  
 enjoyed your company. Be good and  
 try to settle down. I hope we have  
 some classes together next year.
